PRAESIDIO®

The new standard for touchless hand hygiene
in public spaces

PRAESIDIO®

The new standard for public hand hygiene

Strikingly hygienic

Make an impression with the unique design and many advantages of the PRAESIDIO®

- High quality stainless steel housing
- Hygienic spray chamber
- Integrated drip tray
- Intuitive operation
- Adjustable doses
- Quick bottle replacement
- Very long battery life
- Inspection window for checking fill level

Hand hygiene as head-turner

The choice is yours: the front of the PRAESIDIO® can be customized according to your wishes so it can perfectly fit into your space – and brand.

- Print a custom design on the front panel
- Customize the front panel with RAL Classic colors

Hygiene opens doors

Improve hand disinfecting compliance in hygiene-sensitive environments, like intensive care units and operating rooms, by using the PRAESIDIO® as an automatic door-opener when the dispenser is activated. This feature can also be used in public institutions to protect against cross-contamination by installing the PRAESIDIO® throughout a building.

With door opening circuit

Bluetooth optional!

Disinfectant dispenser, touchless, 1000 ml
